# ODE TO WILLEM ALBERT SCHOLTEN

A man of vision and ambition. Of daring and deed. A great Groninger with a name of fame, which was later hijacked by grief. With his dozens of factories, he was the first real agricultural industrial and multinational. A man who with ornate letters, wrote Groninger and Dutch history.

A real entrepreneur who got the Holland-America line back on steam and grew up far beyond our country borders with the Groningse "just be normal"-mentality. A benefactor who meant a lot to Groningen and even gave our city a children's hospital on his 70th birthday.

He deserves a spot in the City.

Central in Groningen, amongst his "stadjers", Willem Albert is coming home!

### SCHOLTENSKOEPEL AT THE HEREWEG

The beautiful country house, also known as the tea dome of Scholten, was built in 1869 from natural stone and marble. Cost at the time: FL 4650,-. The name "Tea dome" is somewhat misleading, because the wealthy Groningers drank Juniper more often than tea in their country houses. The cast iron statues "Summer", "Autumn", and "Winter" were cast in Paris. After restauration, "Spring" was also made.

## TRANSATLANTIC AMBITIONS

Unlimited entrepreneurial. A man with a vision. Willem Albert was a dreamer and a doer! His plans for a transatlantic shipping connection between Europe and Amerika gained momentum when he invested 600.000 Gulden in the "Nederlandsch-Amerikaansche Stoomvaart-Maatschappij" (NASM) in 1873. NASM later became the Holland-Amerika line. The first ship of the NASM got his name. The W.A. Scholten sank in 1887 in front of the coast of Dove after a collision with the Rosa Mary.
